FIG. 2

This exploded perspective view shows the assembly of the device. At the top is a rectangular component 35. Below it is a smaller rectangular component 33, which is part of a sub-assembly 30. The main body of the device is shown in the center, featuring a handle 50 and a base 40. A component 53 is located near the handle. At the bottom is a rectangular component 45, which is part of a sub-assembly 20. A small square component 23 is also shown at the bottom, part of sub-assembly 20.

A perspective view of the device 300. The device consists of a base 23 and a top section 35. The base 23 has a central rectangular block and two side blocks. The top section 35 is a rectangular plate that fits over the central block. A curved arrow points to the right, indicating a side view.
